12 Eyebrow Intervention Day

Deal with bushy brows by taking advantage of a free brow shaping by one of the Ramy Brow Bar staffers (who have all been trained by celebrity makeup artist Ramy Gafni) offered at any of the 21 Duane Reade Look Boutique locations in the city (duanereade.com for times and locations). Picky about who does your plucking? Stop by the Union Square location to have your unibrow removed by Gafni himself, who has worked with Rihanna, Katherine Heigl, Taylor Swift and Britney Spears (although you might want to get there early: it's first come, first served). Bonus: Purchase at least \$40 worth of Ramy cosmetics to receive a gratis multifunctional, colorful face gloss for eyes, lips and cheeks (retail \$19). *52 E 14th St at Broadway (212-684-9500, ramy.com). Fri 11am–7pm.*
